

**Tonwell St Mary's CE Primary School – PE and Sport Premium Plan 2022 - 2023**

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Continued consistently positive attitudes to PE and sport from children across the school evidenced by high levels of participation.</li> <li>• Daily Mile continued to encourage good levels of fitness from KS1/2 pupils.</li> <li>• Employment of additional MSA to support pupils with sports activities meant that children had maximum active playtime at lunch with greater supervision to aid practice of skills.</li> <li>• School took part in a variety of Sports Partnership events, including Cross Country, Rugby, Inclusive Sports and inter schools games</li> <li>• Year 4,5,6 children took part in a day of OAA at a local centre as part of their end of term activities.</li> <li>• Growth mindset session with athlete (Montell Douglas) inspired children to compete in a wider range of sports this year (athletics).</li> <li>• Sports Coach delivering 2 PE session per week for each class. This has really engaged pupils in a wider range of sports that staff did not previously have experience in and supported CPD for EYFS teacher who is now teaching own PE lessons.</li> <li>• Employing an additional specialist swim teacher enabled children to be taught in small groups of 2-4 children for intensive lessons and for all Y6 to meet NC expectations.</li> <li>• Sports Coach supported by TAs who are learning valuable skills to support running games with pupils at breaktimes and lunchtimes.</li> <li>• Use of forest school to encourage more outdoor physical activity for all pupils.</li> <li>• Use of community 'treasure hunts' around village to encourage physical activity over summer and half term holidays (ice cream picture hunt and autumn leaves hunt)</li> </ul>	<ul style="list-style-type: none"> <li>• Develop opportunities for extra-curricular sports and entry in leagues for older children. Use opportunities through federation to enter more teams in a wider range of events.</li> <li>• Offer shared OAA residential with federation partnership school.</li> <li>• Growth mindset PE wow day was very successful and pupils would like this to be repeated regularly with stars from different types of sporting backgrounds.</li> <li>• School will host the Small Schools Sports Day event this academic year.</li> <li>• Transport continues to be an issue for attending sports events due to the geographical location of the school and cost of minibuses/coaches.</li> <li>• Pupils have a lack of structure to the activities that take place at lunchtimes. Look into hiring a sports MSA to help pupils to play sports based activities and to prevent friendship issues from taking place.</li> <li>• Continue to offer pupils the opportunity to take part in competitions or games with the Schools Sports Partnership.</li> <li>• Observations show that equipment for breaktimes and lunchtimes is lacking or needs to be refreshed. Run pupil voice with children to see what types of equipment they would like to have for playtimes.</li> <li>• PE subject leader knowledge is not always confident to lead. Access PE subject leader training to enhance knowledge and to ensure curriculum is concise and accurate.</li> <li>• Ensure swimming lessons are staffed to enable small group tuition and strong progress.</li> </ul>
