'CURIOSITY, COURAGE, COMPASSION'

Friday 14th July 2023

Dear parents,

It seems like a long time since we came together to celebrate our sports day. I hope you enjoyed seeing the photos as much as we did! A big thank you to Mr Calvert for his photography skills.

Our junior children learn French as part of the curriculum every week. Over the past two weeks, they have been finding out about the history of Bastille Day and preparing mini games to teach the younger classes some key words. We had lots of fun sampling French food and playing in each of the activities.

It is always lovely to hear about your achievements outside of school. Congratulations to Billie who took her first LAMDA exam for drama and was awarded a distinction! Eadie has been representing East Herts Schools at the primary district gala performing two personal bests – well done! Leo and George competed in a regional triathlon in Chelmsford placing 1st and 2nd – fantastic!

'CURIOSITY, COURAGE, COMPASSION'

Thanks to Chauncy School who are hosting their annual community day today. The whole school has been collected by mini bus and will be taking part in art, photography, mini Olympics and science lessons all run by Chauncy staff and students.

Kind regards,

Mrs Bridgman

ARBOR – easier login

*No more entering login details every time - the App will now save parents' email address and password, eliminating the need to re-enter them each time they login

*Parents can use their existing login method - whether that's face or fingerprint recognition, or their device's pin code

*For parents with children at different schools, it's now easier and faster to switch between them

Free Family Fun this summer with Step2Skills

Join the Crystal Challenge Family Workshop- are you ready to take on the challenge?!

In teams you will navigate through 5 Global Zones solving number, shape and logic puzzles to win crystals.

The more crystals you have, the more time you have in the Orb Pond at the end to win the biggest crystal of them all. Adults and children will work together to develop their maths and thinking skills. Success will depend on a growth mindset and good teamwork.

Come and join us on this FREE family workshop, for children aged 5 and over and their parent/carer.

Tuesday 25th July at 10am OR 1.30pm at Bedwell Community Centre in Stevenage Thursday 27th July at 10am OR 1.30pm at St Joseph's Church in Waltham Cross Both venues are well-served by public transport and also have on-site free parking. Book your free space on our website: www.step2skills.org.uk
