'CURIOSITY, COURAGE, COMPASSION'

Friday 24th November 2023

Dear parents,

We have had lots of activities going on over the past two weeks.

Thank you to the school council for organising our non-uniform day and film afternoon. We raised £32.

Thank you to all of you who wore your odd socks to school for Anti-Bullying Week to help us celebrate difference. Children had special assemblies and PSHE lessons to learn about this year's theme 'Make a Noise about Bullying'.

Well done to the Y5&6 children who took part in the Tag Rugby Festival at Hertford Rugby Club in a joint team with Thundridge pupils. They were not at all fazed by the extreme rain and played brilliantly with enthusiasm and resilience. Unfortunately, the organisers had to cut the event short due to the weather conditions. The teams will get a chance to play again in May.

Planetarium

This week we had a visit from The Astronomy Space Roadshow with their inflatable planetarium. The children learnt many things about space and science including about Primary Colours, the Earth, Moon Map, the Sun, Gravity, Astronauts on the Moon, Pole Star, Solar System, Greek Constellations, Milky Way, Light Pollution, Real Night Sky and more.

Reducing Parental Conflict

When family life is good children thrive. Parental Conflict is a pattern of destructive conflict behaviours which put children's mental health and long-term life chances at risk. Find out why relationships between parents matter so much to children, and how to improve your relationship with your partner or ex-partner. Please follow the link www.hertfordshire.gov.uk/relationshipsupport to find out more.

Kind regards,

Mrs Bridgman

Key Dates

Friday 1st December
